Description of Problem

Please include a detailed description of the issues, as well as a description of and a copy of any professional studies, citations or reports from government entities, recommended solutions, and any cost information or estimates. If additional space is needed, please attach.

The roof at Arizona Desert Elementary continues to expand and contract in section 7 causing water leaks. This issue has existed for 4-5 years. District Maintenance has repaired the roof on a regular schedule, but the expansion and contraction of this section continues to be problematic. The district requests funds for the design and planning for the roofing problem.

Project Category: Roofing

Are any of the above-described issues in buildings or part of buildings that are leased to another entity, including a district sponsored charter school? N

Available Funding

Current unencumbered building renewal fund balance (Fund 690):	\$0.00
Amount of Local funds planned for this project	\$0.00

Please outline any associated insurance coverage.

The roofing problem does not qualify for our insurance coverage. Our building plans will be delivered back to our district next week. Please advise us if you will need them to move forward.
